VirtualClose

POWERED BY Notarize℠

Notarize for Title and Settlement

The ability to electronically finalize closing packages anywhere provides immediate time and cost savings, business continuity gains and a differentiated customer experience for the title industry. Remote Online Notarization (RON) closings powered by Notarize can provide that edge.

Our clients experience a digital signing and closing process that is simpler, smarter and safer.

SIMPLER

- Anywhere: Global from all 7 continents
- Anytime: On-demand 24/6
- Close on mobile, tablet, desktop

SMARTER

- Instantly usable, integrates within your tech stack
- Substantial savings per transaction across the loan life-cycle
- Reduces time at the closing table

SAFER

- Multi-factor authentication
- Video recording tamper-evident records
- Mitigate wire fraud, reduce risk and errors

The Future of the All-Digital Closing is Now

Consumers want the flexibility and efficiency of digital. They are ready and willing to participate in online notarizations and electronically sign documents.

Consumers today:

81%	Feel secure conducting financial transactions online
79%	Wish there were an easier, faster way to get a document notarized
68%	Agree notarizing a document provides them with peace of mind because their identity will be verified
